

Architecture and Design Magazine | Interior Design & Home Decor Egypt

Linesmag is an independent online magazine that seeks to enrich and diversify the interpretations of design and its impact on our cities and culture.

Our mission is to showcase work from various fields such as architecture, art, design, fashion, and urban design as well as initiatives tackling urban and environmental issues. Certainly, we are a magazine for designers and those with a passion for design.

[Linesmag](#) is both an online magazine and an e-commerce shop dedicated to local Egyptian designers. Offering curated home accessories, artwork, jewelry, and More! Our aim is to make it easy for you to discover well designed and unique objects. Designed by awesome talented designers as well as amazing artwork created by the best artists.

[Shop](#) selected designers' products for your home and daily use. Including [home accessories](#), [art](#) and [jewelry](#) selected from the best quality designers.
